## Please help us in our efforts to rescue abused and neglected horses.

Zoar Ridge Stables in Sandy Hook, CT would like to ask for your help in donating to our cause.

In the spring of 2010 Zoar Ridge Stables rescued, rehabilitated and found homes for 6 neglected horses.

We have put together a rescue program, that gives our lesson students the opportunity to foster a neglected horse. The student is responsible for the shipping and rehabilitation costs for their foster horse. Once the horse is healthy and rehabilitated, the student will

then begin their search for a new, forever home for their horse.

Not only will this help us to continue our efforts in saving these poor, neglected horses, but it will also teach the children about the responsibilities involved in having their own horse.

Most importantly, it will get them actively involved in a very important cause. Teaching them to work together and spearhead fundraisers to help save these animals.

We are very excited and hope that you will join us in our efforts.
